CIG OSINT has reported the following:

OFFICER AWARENESS:

Updated Information: (National Security File - PROS 2022-221194)

- **Personal Info.** Additional information has been identified in regards to Facebook video made by **Personal Info.** In the video posted to his Facebook account on 2022-02-20 (1126hrs), a user believed to be **Person** makes several concerning comments. This includes comments that appear to be threatening, demonstrate possible recklessness behaviour, and point to action against Parliament on a specific day(s) (2022-02-22 or 2022-02-23). **Personal** motivation appears to involve anti-vaccine or anti-pandemic restrictions ideals, and a belief that he needs to protect his children. According to the Facebook profile, **Personal** posted a location of Parliament Hill, Ottawa, ON 2022-02-19. **Personal** appears to indicate that he will be working with other conspirators or protestors. **Personal** has a desperate tone throughout the video.
 - Example of comment made by **Personal** “Everything that is being done in this life, this is always done for someone, the dirty games of politicians, I am not a politician and never wanted to be one. I am not a blogger—all I want to do is record my last moments—what I did for this country and what I did for my family. Also, this is for the good of the brotherly people, who gathered from each corner.”
- In another video posted by **Personal** on 2022-02-20 (1112hrs), he states that he will “do what a real man should do” near the Parliament on Monday. **Personal** also expresses that he has nothing left to lose and appears to suggest that going to prison is not an option, which is indicative of reckless behaviour. The video contains further threatening comments by **Personal** along with statements that suggest **Personal** is constantly moving locations. At one point in the video, **Personal** points to a plastic skeleton tied to the front of a Freedom Convoy truck and states, “I want to see him like this.”

Analytical note: Based on the context of the entire video, it is likely “him” refers to an indirect threat towards PM Trudeau or another public official.

- On 2022-02-19, **Personal** posted on his Facebook “My location,” above a map pointing to Parliament Hill, in Ottawa, ON.

Background:

- **Personal Info.** CIG OSINT has identified a Facebook video posted by an **Personal** posted on 2022-02-20, in which he states that he will be heading to Parliament on 2022-02-23. In the original Russian-language video, **Person** appears to be threatening to head to Parliament, no matter what the circumstances are, along with everyone who is “left.” This may imply that **Person** along with other protestors, are planning on storming Parliament on 2022-02-23. At this time, an official translation has not been obtained. RCMP FPNS is currently investigating.
 - In previous Facebook video posts, **Personal** has been observed around Canadian flags and jerry cans. He also introduces other truckers in the videos and ‘asks how many days have you been with us’. This might suggest that **Personal** is involved in the Freedom Convoy protests in Ottawa.

OPERATIONAL UPDATE:

- No operational updates at this time.

ADDITIONAL INTELLIGENCE UPDATES:

- Facebook user **Personal Info.** posts about travelling from the West coast to the protest and a photo posted on 2022-01-25 showing his arrival in Ontario. He has also posted a screenshot on 16 Feb of an email sent to **Personal Info.**, which does state ‘I can’t wish for you to leave earth’.
- CBSA reports that approximately 50-60 cars (Freedom Convoy) were East bound on 401 passing Gardiners Road Exit and exited at Hwy 15 in Kingston. The destination of the cars is unknown.
- OPP reports, there are two commercial motor vehicles and approximately 10 support vehicles at the staging site on County Road 200 in Embrun. There are a couple large sized closed-in trailers as well. Approximately 3 – 4 people observed walking outside the events tent.
- RCMP’s J-Division has identified a Facebook event titled “Eastcoast Hold Line,” scheduled to occurred on 2022-02-24 at 1700 hrs at the Big Stop restaurant, 2870 Route 1, Rothesay, NB. The event was created by **Personal** who recently returned to New Brunswick are participating in the protests in Ottawa. According to the event page, participants will be leaving from this destination and progressing towards Ottawa at 1800 hours. As of this morning, only one individual has indicated that they are going to the event, while 18 individuals have indicated that they are “interested.”
- CIG OSINT identified a live stream by **Persona** on Facebook at 8:58am. **Perso** states that at 5 o’clock he is going to line up at the old Owen Road Irving and head to Ottawa for his New Brunswick friends and calls others to come up with them. **Pers** also calls on all of his active military service brothers to ‘take back our country’. He states Tuesday after the Supreme Court

will be “go-time” and also mentions the Mohawk nations are “pretty good buddies”. Perso claims it has been publically released that the vaccine had aids in it. Near the end Perso says “when I am back Friday, lookout, I am bringing a few friends with me”.

POTENTIAL DEMONSTRATION PLANNED:
